produzione e servizi su misura

- Subfornitura metallica di articoli finiti
- Stampaggio lamiera, zama e plastica
- Saldatura TIG - MIG e saldobrasatura
- Lavorazione lamiera e tubo in acciaio e alluminio
- Verniciatura personalizzata nei colori richiesti dal cliente
- Trattamenti galvanici e pulitura a specchio
- Imballaggio
- Servizio di consegna rapido con mezzi propri

production and customized services

- Metal sub-supply of finished products
- Metal sheet stamping, Zamak and plastic pressing
- TIG-MIG welding and weld brazing
- Metal sheet, steel and aluminium pipe processing
- Custom painting
- Galvanic treatments and mirror polishing
- Packaging
- Fast delivery service by own means

MF
METAL FLY

L'Azienda METAL FLY opera da oltre 25 anni nel settore della subfornitura del mobile, la produzione di articoli a disegno su richiesta del cliente e della ferramenta. Dispone di tecnologie avanzate e un sistema produttivo che garantisce la qualità secondo le più esigenti norme europee.

I risultati di questa continua evoluzione, l'impegno nell'adeguare l'offerta alle esigenze di mercato e l'esperienza in questo settore hanno indotto la METAL FLY ad ampliare la sua gamma di prodotti per poter offrire un servizio più completo ed efficiente in grado di soddisfare le più svariate esigenze dei vari settori produttivi nella subfornitura metallica. Una scelta che ha consentito alla METAL FLY di porsi in assoluto rilievo sul mercato.

METAL FLY has been operating for over 25 years in the field of the furniture sub-supply, the production of customized articles upon customer's request and the hardware. The company boasts advanced technologies and a production system which guarantees the quality according to the most demanding European standards.

The results of this constant development, the commitment to adapt the offer to the market needs and the experience in this field have lead METAL FLY to extend its range of products in order to offer a more complete and efficient service, able to meet the most different needs of the various productive sectors within metal sub-supply. This choice has allowed METAL FLY to reach an extremely prominent position in the market.

made in Italy

Questa azienda dinamica ed in continuo fermento garantisce ai suoi clienti: innovazione, qualità costante, ed un servizio rapido ed impeccabile.

This dynamic and continuously developing company provides its customers with a constant quality, a research for the new and a fast, impeccable service.
